

Summer Academic Program

2010 Summer Academic Program

Summer Academic Program Philosophy

Lyons Township High School District 204 offers a Summer Academic Program in order to fulfill the following principles of its Mission Statement:

- making dedicated teaching and meaningful learning the highest priority
- creating an atmosphere of encouragement
- providing comprehensive academic and co-curricular options
- fostering full intellectual, physical, moral, and aesthetic growth
- encouraging the lifelong learning process.

Extending the Lyons Township High School curriculum to its students and to the community, the Academic Program provides opportunities for accelerated academic growth, ability level transitions, personal enrichment, basic skill reinforcement and remediation, middle school to high school transitions, community service, and community connections.

PLEASE NOTE

- Counselors **DO NOT** register you for summer academic courses. You must do this on your own.
- Students should **not** register for summer academic courses if they have vacation plans, or if for any reason, they will miss one or more days of class during a semester.
- Technology & Network access will only be granted if students have a Technology Agreement signed and on file.

INSTRUCTIONAL PROGRAM

STUDENT and PARENT/GUARDIAN NETWORK ACCESS AGREEMENT FORM

Implementing Section 6.21.7

The Lyons Township Board of Education's goal is to include technology in the District's curricular and instructional program to promote educational excellence by facilitating resource sharing, innovation, and communication. This Agreement provides examples of acceptable and unacceptable uses of our resources and adherence is a basic expectation of all students.

Every LT student and his/her parent/guardian **must** sign this Authorization before the student may use the District's Network. Students and parents/guardians need only sign this Agreement once while the student is enrolled in District 204.

Acceptable Use and Privileges

Access to the District's Network must be for the purpose of education or research, and be consistent with the educational objectives of the District. Use of the District's Network is a privilege, not a right, and inappropriate use may result in cancellation of those privileges. The Principal (or his/her designee) will make all decisions as to whether or not a user has violated this Agreement and may deny, revoke, or suspend access at any time. This decision will be final.

Examples of Acceptable Uses	Examples of Unacceptable Uses
<ul style="list-style-type: none"> • Adhering to school rules for appropriate behavior and communications applies at all times. • Using the Network and technology resources responsibly and for schoolwork and research. • Accessing my files only. • Working only in my personal workspace. • Leaving equipment and software as I found it. • Using only my authorized ID and password. • Logging on and off the computer each time I use it. • Saving and printing files as instructed. • Reporting damage to any equipment immediately. • Reporting "hacking" and other unlawful / restricted activities immediately. • Reporting harassment or cyber-bullying. • Reporting inappropriate, threatening and/or harmful content discovered while accessing the Internet. • Adhering to copyright laws on written materials, photographs, music and videos. 	<ul style="list-style-type: none"> • Playing games. • Downloading programs or streaming media. • Sending personal email during school hours. • Wastefully using resources, such as file space or printing. • Copying commercial software or another person's files. • Turning off or resetting the computer or changing settings. • Moving equipment; disturbing electrical/Network cords; or damaging, altering, or defacing equipment. • Accessing operating system software or programming. • Bypassing or attempting to bypass the District's Internet content filter. • Posting anonymous messages or cyber-bullying. • Accessing, submitting, posting, publishing, or displaying any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, harassing, or illegal material. • Bringing or consuming food, beverages, or gum near the equipment.

Internet Safety – CIPA

Each District computer with Internet access shall utilize a filtering device that blocks or filters access to content / visual depictions that are: (1) obscene, (2) pornographic, or (3) harmful or inappropriate for students, as defined by federal law and as determined by the Superintendent or designee. The Superintendent or designee shall enforce the use of such filtering devices. An administrator, supervisor, or other authorized person may disable the filtering device for bona fide research or other lawful purpose, provided the person receives prior permission from the Superintendent or system administrator. The Superintendent or designee shall include measures in this policy's implementation plan to address the following:

1. Ensure staff supervision of student access to online electronic networks,
2. Restrict student access to inappropriate and harmful materials,
3. Ensure student and staff safety and security when using electronic communications,
4. Restrict unauthorized access, including "hacking" and other unlawful activities, and
5. Restrict unauthorized disclosure, use, and dissemination of personal identification information, such as names and addresses.

A. Student Agreement

I have read, understand, and will abide by the above **Student and Parent Network Access Agreement Form**. I understand that the District's Network, electronic communications, and downloaded material, including files deleted from a user's account but not erased, may be monitored and/or read by school officials. I further understand that should I commit any violation, my technology access privileges may be revoked, school disciplinary action as outlined in the *Student and Parent Handbook*, and/or appropriate legal action may be taken. In consideration for using the District's technology resources and having access to public networks, I hereby release the School District and its Board members, employees, and agents from any claims and damages arising from my use or inability to use the resources.

B. Parent Agreement

I have read and understand the above **Student and Parent Network Access Agreement Form**. I understand that technology and Network access is designed for educational purposes and that the District has taken precautions to eliminate inappropriate, obscene, pornographic and/or harmful material. I also recognize it is impossible for the District to restrict access to all inappropriate, obscene, pornographic and/or harmful materials. I will hold harmless the District, its employees, agents, and Board members, for any harm caused by District materials or software obtained via the Network or its technology. I accept full responsibility for supervision if and when my student's use is not in a school setting. I have discussed the terms of this Agreement with my student. I hereby request that my student be allowed access to the District's technology resources.

Summer Academic Program Registration

Registration Procedures

- All registrations for 2010 Summer Academic Courses will be completed **online**.
- Visit www.LTHS.net for a full list of courses, registration information, and links for payment by credit card.
- In-District registration is March 1-7, 2010.

Access to Technology During Summer Classes

- Technology and Network access will only be granted if students have a Network Access Agreement form signed and on file.
- The Network Access Agreement form is found on page 181.
- Tear out the form and both student and parent / guardian must sign and date it.
- Fold the form along the dotted line and mail it to LTHS so that the form is on file and technology access may be granted.
- Current LTHS students do not need to submit a form.

EXPECTATIONS

Students attending the Summer Academic Program must meet the expectations outlined by the classroom teacher, instructors, supervisors, and administrators. Expectations are reviewed on the first day of class, and students sign a statement indicating they understand these requirements. Those who do not follow them may be subject to disciplinary action or dismissal from the Summer Academic Program with a grade of WF.

WITHDRAWALS

- Prior to semester midpoint: no refund and a grade of W.
- After semester midpoint: no refund and a grade of WF.

REFUNDS

- A cancellation fee is assessed for each class that is dropped by 3:00 p.m. June 11, 2010 (first semester and annual courses) and July 1, 2010 (second semester classes)

Cancellation Fee schedule:

- March 8 - April 30: \$25
 - May 1 - May 15: \$50
 - May 16 - May 31: \$75
 - June 1 - Day before class begins: \$100
- Refunds for the second semester of an annual course will not be honored after June 11, 2010.
 - A second semester class (which is not a continuation of an annual course) must be dropped by 3:00 p.m. on July 1, 2010 to qualify for a refund.
 - No refund will be issued if a student withdraws after the specified date, is dropped for disciplinary reasons, or is dropped for attendance reasons.

ATTENDANCE

Because of the length and nature of the Summer Academic Program, excellent punctuality and attendance are vitally important contributors to success. As a result, each student is expected to arrive at school on time and to be in attendance. Students and parents should take special note of the following Summer Academic Program policy.

A student may be dropped from a semester summer school course with a grade of "WF" (Withdrawal/Failure) and receive no credit if he/she...

- accumulates **more than one excused** absence per semester (the equivalent of 4 hours);
- accumulates **more than two tardies** to school or from the mid-morning break per semester (10 minutes or less per incident); **and/or**
- accumulates **any unexcused absence (any tardy exceeding 10 minutes may be considered an unexcused absence depending on the circumstance.)**

Activities such as family vacations, athletic competitions, and other non-illness related absences are unexcused absences. If a student is unable to attend class for any reason, a parent/guardian must report the absence to the Summer Program Office as early as possible on the absence date. We will take calls beginning at 7:30 a.m. Voice mail will record messages at other times.

June 14-July 22 attendance telephone: 579-6528.

Summer Program office hours: 7:30 a.m. - 3:00 p.m.
