

**Lyons Township High School
Community Advisory Committee
Consensus of Table Discussions to Board Questions
April 15, 2009**

The Lyons Township Community Advisory Committee has discussed the following questions and respectfully recommends that the Board of Education consider the following comments.

1. What areas should the new Superintendent focus on during his first year?

Increase achievement opportunities for underachieving students by working with staff and principals to identify methods to differentiate to these students.

2. What LT qualities make you most proud of our school?

Diverse academic curriculum
LT pride and tradition

3. Where would you like to see LT in ten years? Please develop a long term goal(s) for LT?

Move to the forefront of technological advancements (increased laptops, tablets and on-line teaching) so that teaching methods enable all types of students to complete their education.

Continue working to increase lower, middle level achievement rates.
