LT COMMUNITY ADVISORY COUNCIL

SEEKING NEW MEMBERS

The LT Community Advisory Council (LTCAC) brings together students, staff, parents and other community members for the purpose of providing input to the Board of Education. By studying and discussing timely educational issues and communicating ideas and findings to the Board, the LTCAC supports and strengthens the partnership of school, family, and community.

Recently, LTCAC recommendations to the Board have addressed LT's budget development process, Professional Learning Communities, unique learning opportunities offered at LT and the mid-level student.

As a body of seventy members, the LTCAC strives to represent the diverse viewpoints of our high school district, including those from different geographic areas, socioeconomic levels, age groups, and racial/cultural backgrounds. The LTCAC meets five times a year, usually on the third Wednesday evening of the month, 7-9:30 P.M. Members serve two-year terms.

Please consider becoming a member of the LTCAC. Complete the attached application form and return it to the Superintendent's Office by Monday, June 13, 2011. An application is also available online at www.lths.net under "Information for Parents." The LTCAC will announce new members prior to the start of the next school year.

On average, we replace 20 retiring members per year, from a pool of 80-100 applicants. Your application will be reviewed by the membership committee during late June of this year. Besides selecting members on their own qualifications, the committee is determined to make sure that each associate district is fairly represented. If you are selected for membership, you will be contacted by late July or early August with the dates of the coming meetings so you can determine if you can attend all the meetings. If you can't, please advise us so we can select an alternate to fill your position.

Thank you for considering this volunteer opportunity!
