

# **LT Community Advisory Council Recommendations to the District 204 Board of Education**

## **ATHLETIC CODE RECOMMENDATIONS**

- A. Ensure the coaches and club advisors take a stronger role in discussing the expectations concerning the use of drugs and alcohol. Coaches and club advisors should stress adhering to the activity code contract both on and off school property.
- B. Encourage the coaches and club advisors take a more active role in enforcing the contract that is signed by the student and their parents
- C. Require the coaches and club advisors at each sport or activity parents' meeting, communicate directly to the parents that they should not permit or facilitate substance abuse. Emphasize that the coaches and club advisors work as partners to communicate to students that violations of the code they signed are not permitted.
