LTHS juniors meet or exceed standards on Prairie State Achievement Exam

In April of 2006, 898 Lyons Township High School juniors participated in the statewide administration of the Prairie State Achievement Exam (PSAE). Approximately 34% of students tested exceeded the state standards in at least one content area, and 99 students, or 11% of those juniors tested, exceeded state standards in all three areas. In total, 301 students will be presented with a certificate of achievement and a special designation will be noted on their transcript.

The PSAE measures the performance of grade 11 students in reading, mathematics, and science. The two-day assessment is comprised of the ACT, the ACT work Keys and Illinois developed tests. A total of more than 113,000 students statewide took the exam. This year's juniors took the PSAE on April 25-26.

At LTHS, the following 99 students were awarded honors in all three content areas.

PSAE Achievement in All Three Content Areas
