### **LTHS inducts Thespians**

The Lyons Township High School Reber Center plays host to many performances throughout the year, but none are more familiar with it than the most recent International Thespian Society inductees. Thirty-three students from all four grade levels were recently inducted to LTHS Thespian Troupe #1368. Ten additional students were recognized as Honor Thespians.

To be recognized as a thespian, students need to accumulate points for their work. As stated by the International Thespian Society, students may be inducted into LT's Thespian Troupe after earning 16 points, or 160 hours of service. Students that earn 60 points, or 600 hours, are inducted as Honor Thespians.
