College Decisions/Award Letters

Have you received a decision from the college(s) you have applied to?

- **Bring your college application status emails/letters into the College/Career office, Room 148 as you receive them.**
- We need the status of **all of your college applications** – not just where you are attending. Whether you've been accepted/waitlisted or deferred/denied, please let us know.
- Write your **student I.D.** on each letter.
- **Why do we need this info??**
This information is used to populate the scatter grams on **Naviance** for future students' use. Names of students are not visible, but the status of whether or not you were accepted/denied or wait-listed/deferred is helpful during college planning.
