Brian Stachacz  
Director of Business Services

February 10, 2024

Dear Neighbor of Lyons Township High School South Campus,

Lyons Township High School District 204 is seeking to renovate areas of its South Campus Facility as part of a larger **Groundwork for a Brighter Future** project that was launched in January of 2024. Beginning in the late spring of 2024 work on the renovations will commence and will include but are not limited to a new student cafeteria in an existing courtyard, the renovation of the existing cafeteria into a new student music facility, the addition of ticket booths at Bennet Field and the addition of a cooling tower (for air-conditioning of student spaces) in the same location as the two existing cooling towers. As part of the required process for these renovations, the School District is seeking an amendment to its current Conditional Use Permit with the Village of Western Springs. The Village of Western Springs has scheduled a public hearing on the matter for Monday, March 4<sup>th</sup>, at 7:00 p.m. You will receive notification of the public hearing from the Village of Western Springs as well and you are receiving this information because you are within the required notification zone according to Village requirements.

In addition to the public hearing, you are invited to an informational meeting hosted at Lyons Township High School's South Campus, which is open to any resident who is seeking more information about our project prior to the public hearing at the Village of Western Springs. This meeting will take place at Lyons Township High School South Campus (4900 Willow Springs Rd.) in the Performing Arts Center on Monday, February 26, 2024 at 7:00 p.m.

Please do not hesitate to contact me at [bstachacz@d204.lths.net](mailto:bstachacz@d204.lths.net) or (708) 579-6462 if you have any questions regarding this informational meeting

Thank you for your support of Lyons Township High School.

Sincerely,

Brian Stachacz  
Director of Business Services/Treasurer  
Lyons Township HS District 204
