

Intramural Program Schedule for 2017-2018

The following schedule is our attempt to provide each LT student with the current listing of Intramural offerings for the school year. Please take advantage of these opportunities. Intramurals are not a formal sport or activity, there are no practices and you may come and go as you wish. Most activities are CO-ED unless noted otherwise, so come out and enjoy yourself and meet new friends. If you have any questions about any of the Intramural activities, please see Mr. Grundke, Mr. Cabaj or Ms. Pyritz, or the sponsor listed below.
